General Advice Only

We only provide general advice on personal risk insurance. This is provided through our website at www.theinsurancequoter.com.au.

The content on the website does not consider your personal circumstances and we will always recommend that you obtain personal advice from a financial adviser to ensure the insurance you put in place is right for you.

If you contact us for a quote, this will be provided by ProtectInsure and they will offer to provide you with personal advice. ProtectInsure is another trading name for Steve Davies Pty Ltd. It operates under the same Australian Financial Services Licence.

ProtectInsure will receive a commission from the insurance provider when you take out an insurance policy that they recommend. ProtectInsure will tell you the amount of the commission.

We are committed to protecting your privacy.

We have a Privacy Policy which sets out how we collect, hold, use and disclose your personal information. Our Privacy Policy is available on request and on our website.
